

Update your Zoom client to the latest version (any time)

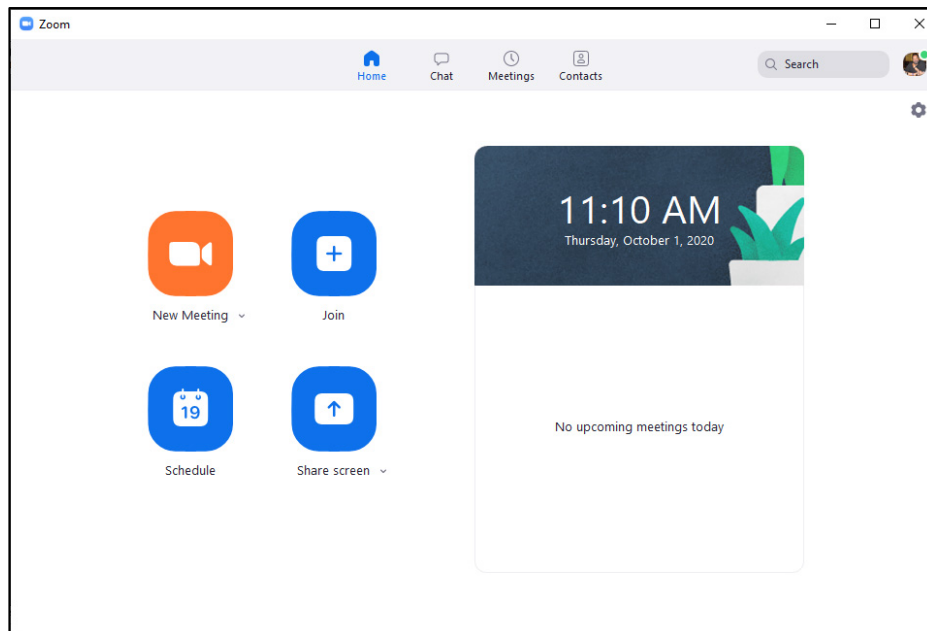

Virtual Dance Room

Updating in from a Computer (PC or MAC)

- **From your browser:**
 - **Click or Copy/Paste the LINK below into your browser's address window:**
 - <https://zoom.us/support/download/>
 - Save the downloaded file in a folder to your computer
 - Go to the folder where you saved the file
 - Run that file
 - If your computer asks you whether or not to allow that program to update your computer – respond Yes

OR

- **From within the Zoom Client:**
 - Launch the Zoom Client
 - Sign In with your email address and password
 - After signing in, you will see this screen:

- Click the your mini-photo icon or letter icon the in screen upper right (see red arrow above)
- Click the option “Check for Updates”
- If updates are found you will see the screen “Update Available!”
 - Update will then load and will show an “Update” button when loaded
- Click the “Update” button
- Wait – you will get a message window: “Zoom is updating, just a few seconds ...”
- Zoom will re-launch and bring you back to the above screen
