 - ~~4 Week Balkan Dance Series with Michal Ginsburg~~
 - ~~Thursday Evenings — 8:00pm-9:00pm EDT — May 21, May 28, June 4, June 11~~

- The East European Folklife Center (EEFC) was established in 1982 through the love and dedication of a core group of musician and dancers. Today, this ever-growing and expanding organization brings together an inclusive, celebratory, and welcoming global community of passionate amateurs and professionals, to respectfully share the richness and complexity of Balkan music, dance, and cultures.

Due to COVID-19, our organization had to cancel our bi-costal summer workshops. Losing regular camp programming this year will hurt in more ways than one as roughly 80% of our annual income comes from our workshops. We need your help to see us through this uncertain time, and to ensure that—when the danger has passed—we can gather once more in celebration!

~~This event has a suggested donation of \$15 for a single class or \$50 for all 4 classes. Send your donation via Paypal to office@eefc.org, or donate here: <https://eefc.org/join-the-circle/covid-19>.~~

~~The class will have a private FB group for community building, and classes will be conducted via Zoom.~~
