## Post-Dance Discussion – Safety Issues for Virtual Dancing by Patrick Mc Monagle

- 11:00pm-ish - Discussion begins after last dance(s)
- We've had some very interesting and informative themed post-dance programs and presentations covering ethnic folk costumes, travels abroad, ethnic minorities, unusual dance forms, etc.
- Our un-themed, free-form discussions have also been quite stimulating and are reminiscent of groups going out after dancing to a late-night ice cream parlor, restaurant, bar, pizzeria or deli for social interaction.
- Now from your own place, it's easy to BYO beverage, food, snacks, deserts and munchies to the party.
- While you're at it, bring a sense of humor and something interesting to share about yourself,.
- Why not also think of some interesting questions to ask others about what's happening in their lives.
- Bring your own photos & videos to share. We'll make you a co-host and coach you on how to share your materials.
- **New feature continues. We'll be showing dance & music videos (now a regular feature of open discussions) as time and interest permits.**
- **Next Week – General Discussion – No Specific Topic**
