About the Late Night Global Dance After-Party

The "After-Party" (a brainchild of Sarah Falkoff, IFDA, St Louis, Missouri USA), began as a follow-up event to the Monthly Global Folk Dance Party presented on Third Saturdays by Adony Beniares and the Peninsula Folk Dance Council (California). Sarah's goal was to showcase/share the repertoire of the St Louis Folk Dance Community. While Sarah is recuperating from back surgery, I offered to step in to help out. I've implemented variation on Sarah's theme by bringing in dance leaders from around the world to showcase/share their own favorite dances in a global forum. So far, we've gotten participation from leaders and dance communities from the USA, Canada, Mexico, Argentina, Brazil, Japan, Greece, Germany, Taiwan, the Netherlands, and Australia.

All About Yves - Appreciation Parties

To show our appreciation for all that Yves did for the International Folk dance Community, we're offering our next two Friday dances (Sep 15 and Sep 22) and our 3rd-Saturday Late Night Global Dance After-Party (Sep 16/17) as forums where we can express our happiness and appreciation for Yves' contributions to the International Folk Dance Community. Yves was a great facilitator and generous to a fault, frequently assisting others in both small and large endeavors, from answering folklore-related questions to supplying folk related materials. Yves had a great sense of humor, was extremely creative in his parodies of dance scenes at Stockton Folk Dance Camp talent shows and was a very good sport about practical jokes others played on him. Many years ago, when I was asked which teacher had contributed the most memorable dances to the IFD movement, I replied unhesitatingly, "Yves Moreau". According to one source, Yves said last June 8th (his 75th birthday): "The important thing is to be surrounded by the people you love and if possible, to keep dancing!"

We thank the musicians, dance leaders and tech crew who've worked hard make this event successful. Let's show our appreciation to the musicians who play live for this party and for our virtual dance events by making generous donations to the Virtual Dance Room so that we can offer modest honoraria to our musicians, keep up with our monthly expenses, and maintain our audio/video/computer equipment.
