About the Late Night Global Dance After-Party

The "After-Party" (a brainchild of Sarah Falkoff, IFDA, St Louis, Missouri USA), began as a follow-up event to the Monthly Global Folk Dance Party presented on Third Saturdays by Adony Beniares and the Peninsula Folk Dance Council (California). Sarah's goal was to showcase/share the repertoire of the St Louis Folk Dance Community. While Sarah is recuperating from back surgery, I offered to step in to help out.

I've implemented variation on Sarah's theme by bringing in dance leaders from around the world to showcase/share their own favorite dances in a global forum. So far, we've gotten participation from leaders and dance communities from the USA, Canada, Mexico, Argentina, Brazil, Japan, Greece, Germany, Taiwan, the Netherlands, and Australia. If you and your dance community are interested in joining us, contact me (Paul Collins) at: paul.collins@virtualdancerroom.net (click link below left)

We thank the musicians, dance leaders and tech crew who've worked hard make this event successful. Let's show our appreciation to the musicians who play live for this party and for our monthly After-Parties by making generous donations to the Virtual Dance Room so that we can offer modest honoraria to our musicians.
